

# OAMARU

Oamaru provides the high performance & flexible light distribution in a familiar style of last century. Six-sided & a little wider than most, this luminaire can be mounted high and still retain its sense of proportion.

## PRODUCT FEATURES

- Made in New Zealand. Parts can be easily sourced
- 10 Year Warranty
- LED Retrofit kit available to update from HPS to LED
- You choose the RAL colour
- Comes complete with a 'frog' mount for mounting onto a 79mm spigot

**40**  
YEARS  
OF STREETScape

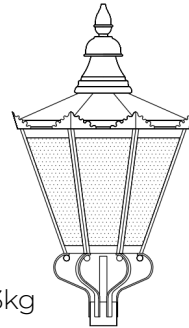

## LED FEATURES

- LED is built in NZ at a ISO9001 Facility
- Signify (Philips) Xitanium driver
- 3000k and 4000k colour temperatures
- LED Module temperature protection
- Surge Protection 10kV/10kA
- IES files completed by independently audited and IANZ accredited Photometric laboratory
- Dimmable

## PRODUCT SPECIFICATIONS

**Input Voltage** 240V50Hz  
**Surge Protection** 10kV/10kA  
**Driver Design Life** 100,000 hours

**WEIGHT** 12.3kg  
**EPA** .27m<sup>2</sup>  
**COEFFICIENT OF DRAG** 1.0

## MOUNTING OPTIONS

- PENDANT
- SIDE
- POLE TOP

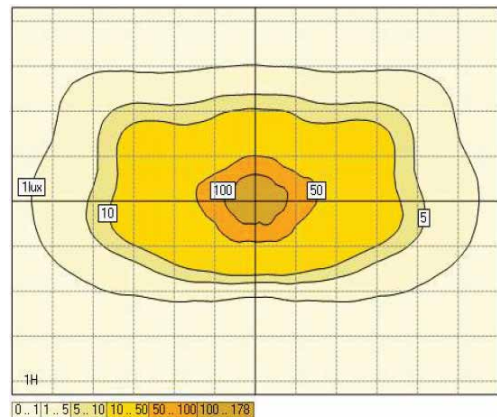

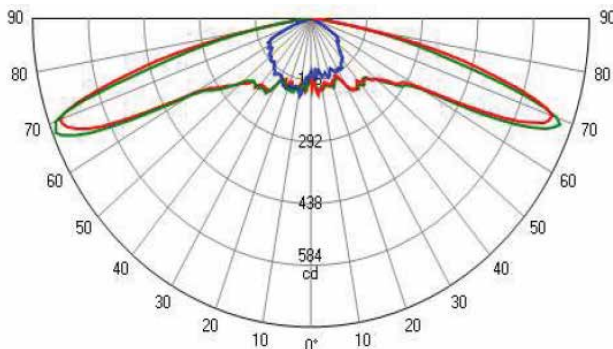

## PERFORMANCE (21w to 33w)

	33W	27W	21W
<b>LED Module Driver Current (mA)</b>	400	325	250
<b>Luminaire Power Consumption (W)</b>	33	27	21
<b>Luminaire Total Flux (lm)</b>	2956	2468	2199
<b>Luminaire Efficiency (lm/w)</b>	91	92	103

## MATERIALS

- Copper
- Polycarbonate
- IP54
- Quality Epoxy Coating

## OPTICS (different versions available)
